

INFINITE CHALLENGE

Dividing into teams.
 Teams complete a few rotations of different activities depending on group size.
 Focus: To get everyone involved and get maximum participation of team members.

SAME POPULAR ACTIVITIES:

Blind Soccer

Players are blindfolded and guided from the outside of the field.
 Aim is to score as many goals as possible.

Re boot

Team has to make their way from the starting line to the activity area.
 One team member enters and has to lock in the correct code as instructed by team member on the outside.

Email

Whole team, while standing in a circle, has to get a chance to catch and pass the ball/s at least once.

Sand Skies

Team members make their way across a designated area on the sand ski's.

Chinese Pyramids

Move the pyramid of tyres to a new location in the same sequence from 1 - 5 with the fewest possible moves.

Blind balls

Fun game played with colour coded balls while blindfolded.
 Choose a guiding partner to assist you.

Maze

Team members have to find their way through the maize without repeating mistakes.

Waterworks

People on island has no water, people on the shore line has to bring water to them.
 None of the equipment may touch the "sea".

Teams are competing against one another for the final reward
